BBSI SYSTEMS PRIVATE LIMITED

We are leading authorised Distributor of Electronic Components

Headquartered in Singapore and having Sales and Marketing teams in Bangalore, NCR, Pune, Mumbai and Hyderabad. we are dedicated to serving the needs of customers expertly, efficiently and cost effectively. Our customers include OEMs, ODMs, CEMs, Design Houses and Resellers.

We partner with leading Electronics supplier to bring their superior technology solutions to customers across the following industry domain

- ◆ Automotive
- ◆ EV & Mass Transport
- ◆ Energy & Utility
- ◆ Industrial
- ◆ Defense & Aerospace
- ◆ Telecom
- ◆ Embedded & IOT
- ◆ Lighting

As an organization, we try to look beyond the traditional Distribution Model to focus on highly Pro active customer support. With help of necessary technical support and customer engagement programs, we work towards helping the customers drive efficiencies and improve operational and financial performance.
